Our Israeli guide, Isaac, lived in Canada for many years and knows how to relate to, and communicate with, North American’s in a relaxed educational manner.

You will experience Israel in a Christian way, physically and spiritually: Past, Present, and even Future, through the mouths of the Prophets, Old and New Testaments, archeological finds and commentary on current happenings throughout the Middle East.

With a special visit to, and stay at, Eilat on the Gulf of Akkaba plus the wonderful sights of Petra in Jordan, (where the first century Christians escaped the destruction of Jerusalem by Titus in 70 AD) this is a truly memorable journey.

You will enjoy Rhonda’s incite full Biblical teachings. Along with the history you will hear solid prophetic commentary on things yet to come; all Biblically based !
